Abbreviations: NTFR = Net Freight / W/M = weight/measurement / BL = Bill of Lading / THC = Terminal Handling Charge (Containers only) / Ctr = Container / FCL = Full Container Load  
 BAF = Bunker Adjustment Factor / CAF = Currency Adjustment Factor / PSS = Port Security Surcharge / AMS = Automated Manifest Systems / ISPS = International Ship and Port Facility Security / m/ton = metric ton / TLX REL = Telex Release / WRS = War Risk Surcharge / PCS = Panama Canal Surcharge / TEU = Twenty Feet Equivalent Unit

Information given is believed to be correct but cannot be guaranteed. Surcharges always quoted on Basis "as valid at time of shipment". Any deviation from above charges must be authorized by Rickmers-Linie Hamburg, Line Management. All charges valid until notice of change is given in this bulletin.

\* Rickmers-Linie had been member of ERPC & IPBCC Conferences which used to announce on monthly basis the surcharges being valid for the respective trades and their members. With the termination of the Conferences in accordance with EU Regulations, Rickmers-Linie herewith announces its own individual surcharges for all trades independently effective as from October 1st, 2008. - \*\* only applicable if vessel passes through Panama Canal
